# JS98

**Jason Standridge** was one of our local Quad Racers who lost his life in an auto accident on May 6, 2005. The memorial race will be an annual event

benefiting the Volunteer Fire Departments that Jason worked with: Nectar, Allgood & West Blount. We at SEQuads want to help keep Jason's memory alive along with his dream of becoming a firefighter. By supporting this event you will be helping the VFD's in Jason's name. Please come out & show your support!
